

Wemos

```
graph BT; WemosDLEDenBuzzer --> Wemos
```

The diagram illustrates a class inheritance relationship. At the bottom is a gray rectangular box labeled 'WemosDLEDenBuzzer'. A blue arrow points vertically upwards from the center of this box to the center of a white rectangular box labeled 'Wemos' positioned above it. This indicates that 'WemosDLEDenBuzzer' inherits from or is a specialization of 'Wemos'.
